Principal's Report – Tracey Deagle

- Dr. Deagle shared very positive State test data improvement.
- All students improved in English Language Arts and Math State tests.
- Dr. Deagle shared this data along with improved discipline data with the students during the second week of school. The kids were very proud of hearing of their success and improvement!
- MAP data – Language Arts and Math – every student on average exceeded their anticipated growth over the course of last year.
- 8th Grade students will take the PSAT in the spring.

Treasurer's Report– Renea Dunmire

- Budget for 2018-2019 school year presented. In addition Renee presented the Performance to Budget for last year.
- There are not dances in middle school – trying to do more during the day where all students can participate. We would have at most 30% in attendance. We also wanted to incorporate more family / community activities (Fall Festival / Art Show)
- 6th grade trip is being replaced with 3 daytime field trips.

Committee Reports – Committee Leaders

- Hospitality – back to school luncheon went very well. Teachers were very grateful!
