- The district is providing a free flu shot clinic in every school this year. The Davis clinic is scheduled for October 11th
- People are holding coffees across the district to help educate people on the upcoming Levy on the November ballot. If you know of anyone that lives in the Wright Elementary School area and they are interested in learning more about the upcoming Levy and might be interested in hosting a coffee, email the Good Schools Committee at fordublinschools@gmail.com. This area has been identified as an area where there are very few coffees scheduled to learn more about the Levy.

- If the Levy passes the Middle school is anticipated to open in 2021.
