Principal's Report – Ann Perez

- Today is the first day we have designated the cafeteria as a Red Zone (no phones). Additional games and card games have been purchased for the kids and they are enjoying them. Dr. Perez has received overwhelming positive support from parents on this initiative.
- A question was posed regarding the cleanliness of the bathrooms. Dr. Perez let the group know that they are aware that some kids have been purposely dirtying the bathroom. Custodians are trying to get them cleaned up as soon as possible when an event happens. The administration is taking measures to determine who is creating the mess and limit opportunities to make messes.
