March 2021 Newsletter

Home of the IRISH!

*"It was one of those **March** days when the sun shines hot and the wind blows cold, when it is summer in the light and winter in the shade"*
- Charles Dickens

***Davis**, I don't know about you, but I sure am anxious for **Spring** to arrive! I'm ready for the longer days, fresh smells, the budding of flowers, and (hopefully) warm sunshine! And I can't forget...the busy **Spring** sports schedules.*

I especially look forward to planting my flowers and garden.

Did you know???

*Many trees, flowers, plants and bulbs begin to grow during the **Spring** because of the ample amounts of water, light, warmth, and soil.*

*Some of the first **Spring** flowers are typically dandelions, daffodils, lilacs, lilies, iris and tulips to name a few.... Did you happen to plant any of these? I'm patiently waiting to see how many of my tulips will make an appearance. :)*

One last fun fact... Did you know that Benjamin Franklin was the first to propose daylight savings time in 1784? However, it wasn't fully implemented until the end of the Second World War.

Don't forget to Spring Forward on March 14th!

Happy Spring Break March 29-April 2!

*Stay safe and have a happy **March**!*

*Ginger Kockentiet
Co-Treasurer, **Davis PTO***
